Description: The Book That Sparked A Selling Revolution In 1985 one book changed sales and marketing forever. Rejecting manipulative tactics and emphasizing process, Strategic Selling presented the idea of selling as a joint venture and introduced the decades most influential concept, Win-Win. The response to Win-Win was immediate and helped turn the small company...

Review: This book has solid advise. The premise boils down to this: There are multiple individuals who influence the decision on whether or not to buy from you. First find out out who they are. Then find out how they would personally benefit from your product or service. Get a coach/sponsor to help you out. The book heavy on words and light on content, but...
